From Our State Deputy, Jim McCraw

State Deputy's Words of Wisdom

"We have a moral obligation to invite every eligible man to become a Knight of Columbus."

From July through October, 24 councils in Mississippi conducted 38 First or Admission Degrees and admitted 105 Catholic gentlemen into the Knights of Columbus. Many brought in one member per month.

Based on the caliber of men I meet at degrees, we should be excited. Many have already advanced into the Second or Formation Degree and the Third or Knighthood Degree.

I have been impressed with the frequency of our Second and Third degrees. This says our DDs are serious about more advancement opportunities. More ceremonials are being held on weeknights and the participation indicates this

is well received by candidates. Many of the young family guys are involved with youth sports or family and parish activities on weekends. The 7pm weeknight start time also helps attendance.

State Ceremonials Director Jerry Schmuck reports that we now have 2nd Degree teams in all but two districts in the Biloxi Diocese and all but two in the Jackson Diocese. We also have the four Conferring Officers which allows us to conduct frequent Third Degrees. That is awesome!

The commitment of these teams and aggressive scheduling by our District Deputies is intended to help members advance to the Knighthood or Third Degree within 12 months. The responsibility to take advantage of these opportunities falls on council leadership and the candidate. Don't be shy about pushing for a degree.

Two areas of concern for me both relate to the First or Admission Degree.

- 1) 38 councils have not admitted a new member.
- 2) The length of time between getting a signed Form 100 approved and a First degree.

When we invite a man to become a knight, we are extending the hand of friendship. The more time that passes, the more likely your sincerity is questioned and his enthusiasm cools.

Supreme has established multiple methods of conducting an Admission degree. Though the traditional method is preferred, the alternatives should be used rather than have a man wait weeks or months to be admitted. For more info on this, have your District Deputy talk about this at a meeting.

Before any form 100 is presented to the council for a vote, two things *should* take place.

- 1) The pastor gives his approval. *(Pastoral quality assurance)*
(Note: Many councils plan their recruiting drive with the pastor and a list of prospects)
- 2) The Admissions Committee meets with the prospect to insure he understands who we are and what we do. Lets the council know more about him as well. Consider an open house or coffee after masses and invite the wives. A Ladies Auxiliary is a huge asset. *(Council quality assurance)*

This all ties back to our slogan *"Retention begins with the Form 100"*.

Mission parishes. If your priest supports multiple parishes, talk with him about the council hosting a Holy Family prayer service there with the new icon. This is an evangelical opportunity. Reach out!

Finally, November is a time to remember our deceased brothers. It's also a good time to heal old wounds within the living council. Strengthen your cable by pulling in those loose strings. "Unity, brothers, Unity".

Jim

Why Degrees Matter, Why Doing Them Properly Matters More

To join the Knights of Columbus, after going through the application and voting process, each Catholic candidate must partake in the 1st Degree of our order. All of us have been through it and probably seen it several times during our time as a member. It's not too complicated, full of "fluff," or overly dramatic. To borrow a very common phrase of our times – "it is what it is." But is that all that it is and should it be more? The answer to the first question is NO and to the second question, an emphatic YES!

Is the 1st degree just a simple right of passage and something to endure to hang out with our friends and fellow Knights? It shouldn't be. It is where we as members\degree team members\officers are conveying the very heart of the organization as passed down from Father McGivney all those decades ago. This is the very first taste a new member has of the solemnity of our organization and its roots in charity. If the message is muddled with ad libbing the ceremony, performing it in a way that is not respectful, even simply skipping through parts to get it over with, the message that new member will have is much less than what they should hear and see to be a lifelong Knight. So, is the ceremony just a ceremony – NO, it is the delivery on a promise to carry on the way our order was founded to do. Should it be more – YES, it should always be the eye-opening, charity-inspiring, commitment-producing first act of the many to follow that should reinforce that commitment and the keeping of the promises made over the decades by the many Catholic men we are descended from.

The 2nd, 3rd and 4th degrees are no less important since each one of them conveys more lessons of what we are all about as Knights. They show what we believe in, what we hold dear, the actual WHO of who we are as Catholic men in our order. Each time I watch a degree being held I wonder what it would be like if I were sitting next to Father McGivney and would he be happy with what we are watching. Would he be pleased with the lessons as they have been refined over the years? Would he want to "have a word or two" with the men performing the ceremony to discuss what they didn't quite get? Each person performing a role on a degree team should think of these questions and hopefully, the answer is Father McGivney would be proud of my performance!

We owe it to each member and the order to DO IT RIGHT!

P.I.D. Drive / Tootsie Roll Drive

People With Intellectual Disabilities

This is a State Focus Project this year worth 2 points in the Community Programs category. With government budget cuts it is also a very worthy project, and an easy one to complete.

With just a handful of men my home council in Picayune collected over \$8,000 over a 3 day period this year. We received many, many compliments and “thank yous”, even from Free Masons that appreciated what we were doing. We have a very generous people in this State that will give you money and thank you for taking it! Why are so many missing out? It is also one of the best ‘feel good’ projects we do. The interaction with the community keeps my batteries charged for months!

To schedule a drive you may have to contact city officials to reserve a date or apply for a permit. Tootsie Rolls can be ordered from Tootsie Roll Division, TRI Sales Co. 773-838-3400. There is a small amount of paper work to be filled out which Vic (victorg@vicksburg.org) or I (Bryan 601-466-3460) will be glad to help with. I would use the Knights of Columbus vests as well; you can't buy better public relations.

In speaking with Victor Gray-Lewis (Director for Foundation of MS) recently, Vic mentioned to me that he had received only 7 checks from Councils participating in this program area. This is a can shake, no talent needed! Just put on your vests, grab some tootsie rolls and a can and go.

Check out the state website under programs for intellectual disabilities. You'll find all you need, information and order forms. Our state officers have made it easy for you; how about an assist for those that really need it?

District 5 Quarterly Meeting

On October 22, representatives from Council 848, 898, 7854, 8285, and 15131 met with District Deputy Charles Hahn at Holy Savior Catholic Church in Clinton for a quarterly meeting. State Deputy Jim McCraw, State Treasurer Philip Jabour, and State Master Bill O'Conner were also in attendance. The DD began by asking each council where they stood on their goals for the fraternal year, then proceeded to talk about recruitment and programs. The DD reiterated his goals for his district to have five star council by the end of the fraternal year.

Dear Brother Knights:

Eighty-five years ago the Church declared St. Therese of Lisieux a saint because of the holiness of her life. She and St. Francis of Assisi are probably the two most popular saints of the Church today. On October 18th Pope Francis declared that Zelig and Louis Martin, the parents of St. Therese, are also saints because of the obvious holiness of their lives. This is such an historical moment. The Church for the first time declares that the parents of a saint are also saints.

This day should be an inspiration especially for all parents. This day the Church affirms what a noble and sacred vocation parents have. The Church affirms that in the vocation of marriage and parenting a husband and wife – a mother and father – are called to true greatness and true holiness. Zelig and Louis Martin are an inspiration for all married couples and all parents.

You might ask how Zelig and Louis merited to be declared saints and how they might inspire parents to holiness today. I suggest the answer can be found in the blessing and prayer said over parents at the baptism of their child. At the baptism the priest prays over the parents in words similar to this, “God is the giver of all life human and divine. May he bless the parents of this child. They will be the first teachers of their child in the ways of faith. May they be the best of teachers by all that they say and do.” Those of you who are parents, this is the prayer and blessing you received at the baptism of your child. It emphasizes the importance of your vocation and role in the spiritual growth of your child. You are the first teachers and the best teachers in the ways of faith by all you say and do.

Through their love for each other and their love for Therese, Zelig and Louis showed Therese the love of God. So too you who are parents, your children come to know a loving God who loves them infinitely and unconditionally by the love you show for each other and by your unconditional love for them. Your children come to know God by the holiness of your lives and by all that you say and do. Zelig and Louis show parents today how special you are and how sacred and holy is your vocation as a couple and as parents.

Right now the “Silver Rose” is traveling around the state. Soon the Holy Family Icon will be traveling through the state in support of family life. Likewise, Knights are asked to support, “Building the Domestic Church: The Family Fully Alive,” a program developed by the Knights of Columbus to support family life. These are just a few ways you can be “the best of teachers in the ways of faith” for your children by all you say and do.

As we celebrate the canonization of Zelig and Louis, may you imitate their holiness by imitating their love, and may God bless you and your family.

Sincerely in Christ,

Msgr. Elvin Sunds, State Chaplain

The Silver Rose Ends It's Journey Throughout Mississippi

The Silver Rose ended its journey through the state of Mississippi Sunday when the Mississippi and Louisiana Knights on Bikes escorted the Silver Rose to Kenner Louisiana. State Deputy Jim McCraw processed in with the Rose and the State Warden Keith Lawson representing Louisiana processed out. Fr Joseph Trinh Pastor of St. Charles Borromeo Picayune celebrated the 9 am Mass assisted by Deacon Doug McNair. Grand Knight Bryan Cassagne before the final blessing gave the history of the Silver Rose to Mass attendees.

Message From State Family Director

Let me start by congratulating the Family of Daniel and Linda Hebert,, from Council 8054 in McComb,Ms. who's name was drawn, by the Supreme Council, to receive a plaque of the Holy Family,

Each Month 100 reports that are submitted to the Supreme Council, are drawn out of the many reports that are submitted throughout the country. The names of the families that are drawn will receive a plaque of the Holy Family, that is why it is so important for each councils to get their "Family of the Month" report to the Supreme Council by the 15th of each month. Please do not send me the Supreme Councils copy of the report, send it to :

The Knights of Columbus
Dept. of Fraternal services
1 Columbus Plaza
New Haven, Ct. 06510-3326

Again congratulations to the Family of & Linda Hebert.

On another note the number of "Family of the Month" reports that I have received for the Month of September is a whopping 8 reports, this is the middle of October, you council family directors, still have time to get your reports in to the State, for your council to receive recognition at the State Convention.

What has your council done as far as Family activities, for the Month September, how many councils will have a Halloween party, at he end of October,and invite the children of your parish, and their parents, and have a scariest costume contest, for both children and adults. these are just a few suggestions for this month,that you can plan for the families.

Thank you for all that you do.

State Youth Program Information

Council Youth Directors/Grand Knights,
 I know that no one likes deadlines. We all want to be able to work at our own schedule, but, we belong to a larger organization. Those in charge want to be able to wrap up programs and competitions so that prizes can be awarded. And so they pass their deadlines down to me. I in turn need to set state deadlines and pass them to you. Some of the deadlines for the Youth programs are coming up. The following table presents the deadlines for the Supreme Youth Competitions:

Youth Program	State Deadline	Participation form to Supreme	Supreme Deadline	What I need
Soccer Challenge	November 15	December 15	December 15	Score Sheets for the Winners
Essay Contest	January 15	December 31	April 15	Essays and Entry forms for Winners
Substance Abuse Poster	March 1	January 31	April 30	Posters and Entry forms for Winners
Keep Christ in Christmas Poster	February 1	January 31	February 28	Posters and Entry forms for Winners
Free throw Competition	February 15	January 31	March 31	Score Sheets for the Winners

I urge each council to participate in as many of the above competitions as possible. I know the excuses: **I didn't order the kit in time**, - you can download many of the program materials from Supreme in the form of PDF files. You can then print the necessary files (entry forms, certificates, posters) either on your home printer or at print shop (for the posters). **We don't have a Catholic school that we support**, - work with your parish DREs and/or local public schools in small towns. The only contest not open to non-Catholics is the essay contest. **We haven't done that before**, - no time is better than now to start. You may only have a handful of kids participating this year, but you can use this year's contest to promote next year's. Publicly award the prizes and publicize the winners. As far as the state level competitions for the Soccer Challenge and Free throw competition, I will need to see how many participants we have and how they are distributed around the state. Right now it doesn't look like there will be a statewide soccer competition. For Supreme, I will probably duplicate the local competition scores for the state competition.

Here are the links for the different online kits:

Bishop R.O. Gerow Program

Brother Knights,

Now more than previously The Bishops need our support.

Currently the Jackson Diocese has 12 seminarians in formation and the Biloxi Diocese has 5 seminarians in formation. The yearly cost for a seminarian is over \$35,000. Our goal should be to support at least one seminarian in each diocese. Therefore, we should be planning our programs activities to reach this goal by mid- April.

God Bless you and I look forward to seeing you at the mid-year meetings.

Don Cox, Chairman

Bishop R.O. Gerow Program

From The State Round Table Chairman

Worthy Brothers:

I have only received very few round table appointments from the councils. I know there has been more than what I have as I have a report from Supreme as to the ones that they have gotten in from the councils. I would appreciate it if those who have sent them in would also send me a copy of your round tables. To those who have not done so for this year and those who have not sent in a round table chairman for this year will soon be hearing from me. This is not a hard thing to do and doesn't require but very little labor. So please if you will do so please get these form in to Supreme. You have to print them off and mail them in, so please do this now.
